ABOUT ME

Enthusiastic web developer with a strong foundation in PHP/MySQL, certified in Python. Adept at creating dynamic websites, I bring a passion for problem-solving and dedication to industry trends. Eager to contribute my skills to a dynamic team, I value teamwork and thrive as a continuous learner, enthusiastic creator, and a resource for clarifying doubts.

PROJECT

INTERN, ACCENT TECHNO SOFT- COIMBATORE

Developed a Student Management System using Python with Django, covering key aspects such as user authentication, data management, and collaboration within a development team.

WEB DEVELOPMENT

Independently designed and developed a dynamic web application, showcasing proficiency in HTML, CSS, and JavaScript. Crafted a responsive portfolio website to showcase various web development projects, emphasizing user experience and innovative features.

ACHIEVEMENTS

Certified in .NET Programming from Nxtlogic Software Solution in 08-2023

Certified in Python from Coursera, demonstrating proficiency in programming and problem-solving.

Successfully finished a Job Oriented Course, acquiring skills in PHP and MySQL for web development.

Certified in soft skill development From NPTEL
